General Outlook

The 1st “Annual Iraqi – European Business & Investment Forum” will be held on April 21st-22nd 2016, in Athens, Greece, under the theme “Iraq and Europe: Cooperation and Growth”.

This Forum comes at a time we are witnessing wider cooperation and joining of efforts, between the Iraqi private sector and Government officials, to revive the economy and modernize Iraq’s infrastructure and acquire new know-how in order to create job opportunities for the youth of Iraq.

The Forum seeks to emphasize Iraq’s international status by strengthening its trade and economic relations with the European partners and assist in the creation of new partnerships between Iraqi companies and their Greek and European counterparts. This Forum will be held annually on a rotation basis in European capitals.

Athens has been selected as the first to host this event, due to its geopolitical proximity to Baghdad and the excellence of relations that Greece and Iraq are enjoying.
