The Back Story

Greece has made quite positive strides in the food industry and all its relevant domains and has successfully managed to penetrate many Arab markets with its quality products.

At the same time, the Arab world is keen to revive its small and medium-sized industries and to intensify the cooperation with Greek businesses in this particular sector in order to better benefit from the know how the Greeks have to offer.

Why Join Us

The Arab – Hellenic Chamber is privileged with its status as a representative of all the Arab Federations and Chambers of Commerce in Greece. This privilege allows us the diversity of participation from various Arab countries in all our events, and this event is not an exception.

Speakers

The speakers and moderators of the Arab –Hellenic Food Conference will include high-ranking personalities, specialists, businessmen, producers and engineers from the relevant sectors.
