Dear Reader,

Last year has been a rollercoaster for the world economy, caused mainly by Covid crisis and numerous environmental disasters of an unprecedented scale. We are hopeful, that as we embark on the year 2022, the pandemic may fade or be significantly reduced and we will finally be able to regain some sort of normality in our social and business lives.

At our Chamber's events, it has been our institutional practice for years, to prioritize and address the interests of small and medium-sized companies which in turn, reciprocated by wider response and diverse participation. This year's business activities will follow the same line, always keeping in mind the common denominator - enhancing the business and investment relations between Greece and the Arab world. Our emphasis will be on direct B2B meetings and exchange of experiences, expertise and ideas of entrepreneurs from the Arab world and Greece. The topics covered will be, textile industry, fish farming and experiences of Greek organic farmers and their products, to mention but a few. In addition, we will re-address sectors like, tourism, IT sustainable energy and other businesses that have not been dominant in our previous events.

Our first upcoming event **Business Gathering "Greece - 5 Mashreq countrie" (Iraq, Jordan, Lebanon, Palestine, Syria)** which will take place at the Divani Caravel Hotel, Athens, 23-24 March 2022, is an excellent opportunity for both Arab and Greek businessmen to come together and explore means and ways of cooperation in a variety of sectors.

In our 2022 first half-year calendar of events, we have scheduled for 12 May, another important Business Gathering between **Greece and Egypt**, which goes along the efforts exerted by the two countries to enhance their long-standing relations in all domains. We, at the Arab-Hellenic Chamber, would like to think that our contribution is another step in the right direction, in an effort to bring together the private sectors of the two countries and to further their cooperation. Needless to say, that both countries, Greece and Egypt, enjoy enormous reserves of resources and possess a great potential for developing their relations in all business sectors.

Building on our last year's successful online event, our Chamber has decided to host on 22-23 June 2022, business delegations from the GCC countries for an in-person assembly, aiming at establishing a tradition of opening business channels between Greece and the countries of the Gulf Cooperation Council.

Looking forward to seeing you on 23 and 24 March 2022. Stay tuned for the rest of events.

HAITOGLOU FAMILY FOODS

— Perfecting Our Craft, Since 1924 —

It all begun almost a century ago! Haitoglou family had just arrived in Thessaloniki, Greece after fleeing Asia Minor. The most important thing they brought with them was not their belongings: It was their love for family traditions and a secret family recipe for making the most popular sesame-based treat... Halva.

It was in **1924** that they opened a small shop dedicated to creating their delicious halva by hand in small batches, continuing the craft their fathers and grandfathers had taught them. Throughout the years many things changed: the small shop became the center of attention for everyone that loved halva, as more and more people were drawn to this artisanal treat.

But some things remained the same: The **passion** to create the best products, the **legacy** embodied in the family's secret recipe and, of course, the symbol of a female figure in a traditional Northern Greek costume.

The "woman from Thessaloniki" - or the "**Halva Lady**" as she became widely known - the proud, graceful figure with no name, started as a symbol to help people identify their favorite halva at a time when many couldn't read. While the image evolved over time, it's still the emblem of Haitoglou Family Foods, as it embodies our roots, heritage and tradition.

Building on our family's values, we continue our **mission** with a passion to share our legacy, our unique craft and our favorite products with every family, as we have done for four generations.

Greece implements new international economic strategy

As part of its international outreach, the Ministry of Foreign Affairs has begun implementing Greece's new national extroversion strategy, which aims to expand exports, boost foreign direct investment and enhance the country's standing on the world stage.

In late December, the Ministry convened the inaugural meeting of the national extroversion council, bringing together senior government officials with regional governors, business leaders, exporters, manufacturers and chambers of commerce. The council, which acts in an advisory role to Enterprise Greece, was tasked with identifying specific, local initiatives the government can take this year to boost the outward orientation of the economy.

In recent weeks, the Ministry has also reorganized Greece's export credit agency and signed a cooperation agreement with the export credit agency of the United

Arab Emirates. More recently, it reached agreement with Singapore on a double-taxation treaty.

The latest steps follow sweeping overhauls at the Ministry and the introduction of last year's groundbreaking national strategy. The new National Strategic Extroversion Plan, unveiled in September, is a blueprint for the country's diplomats, trade officials and business leaders to engage with the international market and enhance Greece's foreign relations through commerce and investment.

The plan details some 458 initiatives, ranging from new branding strategies to new inter-ministerial committees focusing on economic and diplomatic policy. It also sets out ambitious goals: by 2023, Greece aims to double its inflows of Foreign Direct Investment to the equivalent of 4% of GDP – in line with the European average – and increase exports of goods and services to 48% of GDP.

SPECIAL INSERTION

Greece introduces new investment and development law

Greece's new, omnibus development law aims to speed up and streamline new investment projects, while offering more targeted incentives for extroversion, innovation, digital transformation and green energy.

Under the law, introduced to Parliament this month, more efficient procedures will be implemented to evaluate new projects within 30 to 45 days. Equally important, incentives will be grouped under 13 state aid schemes defined by investment category to make disbursement more effective than under prior development laws.

The new law specifies the types, content and method

of payment of state aid, such as tax exemptions, direct grants, leasing subsidies, employment subsidies and risk financing. It also defines the level of state aid according to the regional or national importance of the project, as well as the maximum amount of aid.

Further, the law identifies the sources of funding for the various forms of state assistance, such as whether the incentives are drawn from national resources or European structural and investment funds.

- تزويد الشركات الأعضاء بالمعلومات المطلوبة من اليونان

المجالات المشتركة للتعاون العربي اليوناني:

تعد اليونان أقرب الدول الأوروبية مسافة إلى العالم العربي، ولذلك كان التواصل قائماً منذ القدم ونطاق التعاون سهلاً في كثير من المجالات، وفي ظل الظروف الراهنة فإن التجارة مع اليونان لها مزاياها العديدة، فهي قد استطاعت أن تؤسس لنفسها سمعة تجاوزت حدودها في كثير من مجالات العمل، والقطاعات التي تميز اليونان بجودتها منها على سبيل الذكر ما أحرزته من تطور ملموس في الصناعات الغذائية ومواد البناء والطاقة المستدامة بأنواعها والتكنولوجيا، بالإضافة إلى سجل متميز لشركات الهندسة والإنشاءات اليونانية في انجاز العديد من المشاريع في العالم العربي، يضاف إلى ذلك التفوق التقليدي لليونان وريادتها في قطاعي الملاحة وصناعة الموانئ،

ولذلك استطاعت اليونان بجودة ما تنتجه أن تنافس في كثير من الأسواق العالمية، يدل ذلك الزيادة المستمرة في ميزان صادراتها إلى الكثير من دول العالم . إن فرص الاستثمار رحيبة وفي أكثر من مجال، ويتفرد القطاع السياحي ببنية تحتية متكاملة تؤهله لأن يكون أكثر القطاعات الجاذبة للإستثمارات الخارجية، واليونان كما نعلم من أكثر الوجهات السياحية في العام، وتجذب الملايين من السواح بمختلف اهتماماتهم، منها التعرف على حضارتها العريقة ومنها التمتع بما تمتاز به من جمال الطبيعة في قرأها وجزرها ومدنها.

إن الخدمات التي نقدمها للشركات الأعضاء والتواصل المستمر معهم هو ما يميزنا ويضيف إلى قدرتنا في احداث الفرق المطلوب كعامل إيجابي في تعزيز التواصل بين القطاع الخاص في اليونان ونظيره في العالم العربي.

"دعوة للمشاركة في فعاليتنا القادمة"

سجل العام الماضي أسوأ كوارث بيئية على نطاق غير مسبوق على مستوى كثير من الدول، واستمرت جائحة الكوفيد 19 في تمحورها وتفرعاتها الى الدلتا واورميكرون، ونأمل ان فصولها قاربت على النهاية، ولنا الحق في التفاؤل والامل بممارسة أساليب حياتنا العادية في التواصل الاجتماعي والاسري وعلى مستوى أداء الاعمال. نتطلع الآن الى المشاركة الشخصية في فعاليتنا القادمة وقد اعددنا لمجتمع رجال الاعمال في اليونان والعالم العربي ثلاث فعاليات رئيسية حتى يونيو / حزيران 2022، هذه الفعاليات تشمل اليونان و12 دولة عربية.

فالحديث الأول "لقاء العمل" اليونان - دول شمال المشرق العربي" (العراق، الأردن، لبنان، فلسطين، وسورية)" في 23 - 24 مارس/ آذار 2022، يجد القارئ تفاصيل محاور هذا اللقاء وبرنامجه المبدئي في صفحات هذا العدد من مجلة الغرفة.

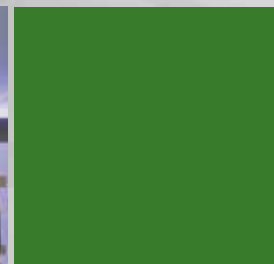

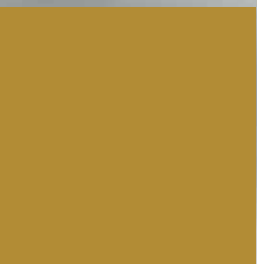

بعد ذلك موعدنا سيكون مع فعاليتنا الثانية "لقاء العمل" مصر - اليونان" المقرر عقدها في 12 مايو / أيار، يأتي هذا اللقاء في وقت تتعزز فيه العلاقات الاستراتيجية بين مصر واليونان على كافة المستويات، وعلى المستوى الداخلي في مصر يمكن لأي مراقب ان يلمس التطورات الهائلة والمشاريع الكبيرة التي تعكس رؤية اقتصادية متطورة سوف تعود على مصر وشعبها بالخير والازدهار. واليونان من جانب اخر تعزز مكانتها كدولة جاذبة للاستثمارات وتشهد إصلاحات اقتصادية متسارعة خاصة بعض تجاوزها للآزمة الاقتصادية الأخيرة، سوف نوافي القارئ والمهتمين بهذا اللقاء بتفاصيل أكثر خلال الأسابيع القادمة.

نأتي الآن الى الحدث الرئيسي الثالث لغرفتنا في لقاء العمل المرتقب "اليونان - دول مجلس التعاون الخليجي" في 22 - 23 يونيو/ حزيران، يعد هذا اللقاء الثاني امتداداً لنجاح اللقاء الأول الذي عقد في يونيو من العام الماضي، ويأتي في الوقت نفسه متنسقا مع ما تشهده علاقات اليونان ودول مجلس التعاون الخليجي من تنسيق وتطور إيجابي في هذه العلاقات على كافة المستويات.

لا داعي للتأكيد هنا على نوعية هذه الفعاليات، ولكن التأكيد يبقى قائما في ان الغرفة العربية اليونانية من خلال سعيها في عقد هذه الفعاليات انما ترمي لإبقاء قنوات التواصل مفتوحة لتشجيع الشراكة بين مجتمع رجال الاعمال من بلادنا العربية واليونان في سبيل زيادة ميزان التبادل التجاري والتدفقات الاستثمارية المتبادلة ولا داعي للتأكيد مرة ثانية ان القرب الجغرافي وما يحرزه الجانبان من تطوير لكثير من قطاعات العمل يعدان من العوامل التي تهئ لزيادة التبادل التجاري والاستثماري. لهذا يظل أملنا قائما في ان تتركز جهود القطاع الخاص من الجانبين في الشراكة في احياء الصناعات الصغيرة والمتوسطة في العالم العربي وفي مشاريع إعادة اعمار وتحديث البنية التحتية، والامر كله يعتمد على من يأخذ زمام المبادرة في استكشاف هذه الموارد والتواصل في بناء الشراكات مع الجانب الاخر.

موعدنا معكم في لقاء العمل الأول "اليونان- دول شمال المشرق العربي" (العراق، الأردن، لبنان، فلسطين، وسورية) في 23 - 24 مارس/ آذار 2022.
