“Crisis Precipitates Evolution”

FOREWORD

Harris Geronikolas
President

Rashad Mabger
Secretary General

Dear Reader,

In the recent years, we have been faced by numerous challenges: the conflicts in the Middle East, the world economic crisis, climate change and Covid -19 emergency, for which we were hoping to soon breath sigh of relief as the pandemic fears were slowly fading. To our disbelief, we are now confronted by another major challenge in Europe – war in Ukraine, the repercussions of which will be felt in wider economic landscape. In addition to human losses, the communities will be destroyed, development of the social and economic fabric will be disrupted and increase in energy and commodity prices will follow. Human nature tends to cling to hope in times of despair and crisis and so we hope that the voice of reason will prevail and there will soon be an end to all the wars – in Ukraine, but also in our region in the Middle East and elsewhere.

As far as our Chamber is concerned, we have to continue with business-as-usual. This year, we have been planning to have only in-person meetings. Coinciding with publication of this issue of MAN, we have been preparing the second business gathering that links **Greece with 5 Mashriq countries (Iraq – Jordan – Lebanon – Palestine - Syria)** and we sincerely hope that it will mark a good restart point for all of them. The resources, the potential and all the other ingredients for improving the trade balance and investment flow between the two sides are there. One only needs to embark on initiatives and explore each other's opportunities – and that is what the Arab-Hellenic Chamber's event is offering - discussions, networking and closing deals under one roof.

Another significant event, the **Greek - Egyptian Business Gathering** will take place on 1st June 2022. Greece and Egypt enjoy strong and long cultural and historical ties - among the longest relations in history between two nations. Both have already been engaging in strategic relations and high-profile projects, however, there are still awaiting enormous opportunities in every domain for those who want to grasp them. This is a call for the private sectors of Egypt and Greece and every interested party in this important gathering to actively participate and take advantage of this momentum.

Ahead of two spiritual occasions, we wish Ramadan Kareem to our Arab audience and Happy Easter to our Greek friends. We hope to see you all again on June 1st.

**GREECE & 5 MASHRIQ COUNTRIES
BUSINESS GATHERING**
(Iraq – Jordan – Lebanon – Palestine – Syria)

Athens, 23-24 March 2022

Under the Auspices

Brief Introduction

Throughout history, Greece's relations with the five North Mashriq countries (Iraq, Jordan, Lebanon, Palestine and Syria), have withstood turbulent times and witnessed impeccable collaboration in the fields of science, translation and transfer of knowledge. In modern times, these relations have expanded into sharing views and ideas on regional and international issues while encompassing extensive commercial exchanges resulting in increased investment flow.

The recent positive regional developments suggest further cooperation in a variety of political and economic arenas. In view of these favorable regional changes, the Arab-Hellenic Chamber is convening the **“Greece & 5 Mashriq Countries” Business Gathering** which will be held in Athens, on **23-24 March 2022**. This event aims to enhance communication channels between the businessmen of the five Arab countries and their Greek counterparts, aspiring to increasing the balance of trade and investment flow, as we firmly believe that all the parties possess the needed resources and potential to enhance their cooperation in all business domains.

Attendance and participation

We anticipate that a number of Ministers and high-level Government officials, along with high profile businessmen from Greece and the five Arab Levant countries, will participate in this event. A special emphasis in the program will be given to the direct business meetings (B2B) between the two sides in all the areas of trade.

Corporate social responsibility is always a project in progress, like the rest of CCC's business, every CCC activity and practice is meant to make a lasting impact, economically, socially, and environmentally.

This is a complex, multi-layered graphic design. It features several overlapping text elements in different colors and orientations. At the top left, 'NEW PROJECTS' is written vertically in purple. Below it, 'NEW AREAS' appears in blue. A large '2020' is prominently displayed in blue. Other phrases include 'BUILDING THE FUTURE' in green, 'NEW IDEAS' in green, and 'NEW INITIATIVES' in purple. The word 'NEW' is repeated multiple times in various sizes and colors. The background consists of faded, semi-transparent images of modern skyscrapers, palm trees, and industrial facilities with storage tanks. In the bottom right corner, there is a geometric pattern of triangles containing orange circles, resembling a stylized logo or architectural plan.

Welcoming the Chargé d'Affaires of Syria

Mr. Firas Al Rashidi, Chargé d'Affaires of the Syrian Embassy in Athens

On 23 February 2022, the Secretary General of the Arab-Hellenic Chamber of Commerce, Mr. Rashad Mabger, received at its premises, His Excellency Mr. Firas Al Rashidi, Chargé d'Affaires of the Syrian Embassy in Athens, along with the Embassy's Counsellor, Mr. Ali Daghman, who paid a courtesy visit to our Chamber. During this long-awaited visit, the two sides discussed issues of mutual interest, but mainly the points related to rebuilding strong lasting business relationships in all the business domains. They agreed that once the Syrian Embassy opens, there will be closer coordination in order to further activate the private sector's relations in both countries.

This cordial visit will be instrumental in opening avenues for us to engage Greek businessmen with their Syrian counterparts, as well as in opening channels of communication and in embarking on business partnerships, where possible.

Syria and Greece have, throughout the years, enjoyed impeccable relations based on mutual respect and cooperation. The efforts to open the Syrian Embassy in the coming weeks will mark a new beginning for these relations.

We would like to seize this opportunity to assure Mr. Al Rashidi of our full cooperation.

We are looking forward to receiving the Syrian Ambassador to Greece - hopefully soon.

Mr. Ali Daghman, Counsellor at the Embassy of Syria in Athens

Celebratory Dinner Gathering with Arab Ambassadors and Arab Businessmen in Greece

On Wednesday, 8 March 2022, in a pleasant ambiance of the restaurant of the Four Seasons Astir Palace hotel, H.E. Waleed Mohammed Al-Emadi, the Ambassador of Qatar, hosted a dinner party in honor of the Arab Ambassadors accredited to Greece and Arab businessmen based here. H.E Mr. Al-Emadi delivered a short speech welcoming his distinguished guests and expressed a hope that this meeting will bring them all closer, open new channels of communication, but also and become a beginning for many more pleasant occasions to meet.

The Ambassadors and the Arab businessmen exchanged views and touched upon a variety of issues relevant to their businesses in hospitable Greece. The Secretary General of our Chamber, Mr. Rashad Mabger who was among the guests, would like to seize this opportunity to express the Chamber's gratitude to Ambassador

Waleed Al-Emadi for this wonderful initiative and wish him a pleasant and fruitful stay during his assignment as Ambassador of Qatar, to Greece.

We would also like to express our high regards for the Arab Ambassadors and Arab businessmen who attended the gathering.

We look forward to meeting again soon in order to connect and work together towards enhancing our fruitful presence in Greece.

Thank you, Mr. Ambassador!

Dinner with Visiting Palestinian Delegation

Mr. Youssef Dorkhom, the Chargé D'Affaires of the Palestinian Embassy, in the centre among members of the Palestinian delegation

On March 14th, Mr. Youssef Dorkhom, the Chargé D'Affaires of the Palestinian Embassy in Greece, hosted a welcoming reception and dinner party for the visiting Palestinian businessmen and businesswomen attending FOOD EXPO exhibition at the Metropolitan Expo exhibition center.

During this reception, Mr. Dorkhom delivered a speech welcoming the delegation and congratulating them on the positive outcome in conducting business deals with their Greek counterparts during the said exhibition.

Afterwards, Tareq Al-Tamimi, Manager of Hebron Chamber of Commerce, delivered a speech asserting their future intent in more business trips to Greece.

Then, Mr. Rashad Mabger, Secretary General of the Arab-Hellenic Chamber, was called to deliver a speech on this occasion during which he welcomed the delegation and assured them that the Chamber is here to support them and their future business endeavors in Greece in every way possible.

We, at the Arab – Hellenic Chamber, would like to seize this opportunity to thank Mr. Youssef Dorkhom for this invitation and assure him of our level-best of cooperation with him and the Palestinian business community to further enhance the existing friendly relations between Greece and Palestine in every aspect.

Farewell Dinner by Ambassador Saud Faisal Saud Aldaweesh of Kuwait

Saud Faisal Saud Aldaweesh
Ambassador of Kuwait

On March 16th, the Kuwaiti Ambassador, our friend Saud Faisal Saud Aldaweesh, hosted a dinner party honoring the Arab Ambassadors accredited to Greece and, at the same time, bidding farewell to them, as his assignment in Greece has come to an end.

His Excellency presented the Arab Ambassadors with a trophy in token of his appreciation for the acquaintances and friendships he has won during his stay in Greece.

The Arab – Hellenic Chamber, represented by its Secretary General, Mr. Rashad Mabger, presented our friend Ambassador Saud with a farewell gift, thanking him for his support and wishing him the best of endeavors in his future in Kuwait.

The dinner was attended by other dignitaries and some staff-members of the Kuwaiti Embassy in Greece.

We would like to seize this opportunity to wish the best of luck to Ambassador Saud and assure him that our close cooperation with the Embassy of Kuwait will continue as always in a positive manner and we look forward to meeting him again here, in Greece, or in Kuwait.

All the best, Mr. Saud!

Arab-Hellenic Chamber of Commerce & Development: into the 5th decade of Excellence in Partnership

On the tenth anniversary of its flagship event, the 10th Arab-Hellenic Economic Forum, the Arab Hellenic Chamber is already into the 5th decade since its foundation. These passed years can be defined as a kaleidoscope of successes, failures, happy memories, strong relationships and warm friendships, while always maintaining our values and principles which are: *Excellence in service, through innovation, by people who care.*

We have positively impacted on business relations between the Greek and Arab business communities by constant support and excellent service. We hope to continue to endure and add value for our communities on both sides, for our members and non-members alike and for the entrepreneurs who may seek our services and who we serve. Endurance, however, is not easy. Meaningful endurance is even harder. For an organization to endure more than 40 years and be relevant today is quite a feat. If we learned one thing from those years, it is that enduring requires remaining relevant and relevant requires meeting the needs of our members and our business communities. To be more relevant and more valuable today is an honor that goes to few.

We endorse innovation, ensuring that no one is left behind in the new developments and transitions. The way we live and work is rapidly changing and we are facing new challenges and are confronted with new economic and demographic realities and fast technological developments. We are therefore aware, that further development will entail more commitment from our side - from the staff and the Board of Directors. We want to focus on diversifying our concepts, on elevating the trade balance in our communities and on committing to international trade relations and its objectives which are contributing to job creation and generally improving the living standard of our communities. We have taken huge steps in that direction and are moving forward by adopting advanced form of trading, the cornerstone of which is the transfer of technology and know-how from Greece to the Arab world.

2021, almost two years after the outbreak of covid-19 pandemic, provides not only an occasion to look back,

but also to look ahead, and what matters most now is what we do next. During the year of 2022, we plan to embark on a new series of activities, reflecting on our previous success and taking advantage of our vast database and our unique business network across the Arab world which will help us move forward and will elevate us to new heights in our role and mandate to promote Greek-Arab relations.

Our Chamber has been loyal to its objectives and has earned a unique status and reputation for its integrity and quality services that it has been delivering to all its members and non-members in Greece and the Arab world. We have stories about overcoming challenges, that show the human face of our organization and our communities. We have also stories about significant milestones and successes of our organization that demonstrate its development and **ethos**. Our doors will always remain open for all businesses looking for new opportunities, innovation and expansion. We pride ourselves on our good record of successful activities, events, business deals, as well as our association with many outstanding Greek and Arab companies, along with our active relation with the Union of Arab Chambers, the Arab Federations and Chambers of Commerce and our sister Arab-foreign Joint Chambers.

The real measure of our achievements and excellence in partnership, however, is the growing list of our members and their testimonials. The entrepreneurs and businesses on both the Greek and Arab sides of our communities are the heart of our endeavors and claim to be empowered, optimistic and enthusiastic.

The history of our Chamber is not only about business. It is also about people and we cannot find words to express our thanks and gratitude to everyone who has supported our Chamber throughout the years. Its successful growth is a direct result of a combination of its valued and resourceful staff, its effective Board, its loyal members and generous sponsors, who all played a significant role in helping AHCCD achieve its goals. We are inspired to move forward so we can further build on the foundations created since its establishment.

MOTOR OIL (HELLAS) CORINTH REFINERIES S.A (MOH) was founded in 1970 and started operating its refinery in 1972.

MOTOR is the largest private industrial complex in Greece and among the top refineries in Europe in terms of complexity (11.5 according to Nelson Complexity Index). It can process crude oil of various characteristics and produce a full range of petroleum products, serving major petroleum marketing companies in Greece and abroad.

Additionally, the refinery of Motor Oil is the only one that produces base oils in Greece. Following the installation of the new 60,000 bbl/day processing capacity Crude Distillation Unit (New CDU) the production capacity of the refinery has reached 185,000 barrels of crude oil per streamday (BSD). It has a storage capacity is 2.6 million cubic meters, modern port facilities for tanker docking suitable for tankers up to 450,000 tons DWT and state of the art truck loading terminal which can serve up to 220 road tankers per day.

Since 2001 the Company shares have been listed on the Athens Exchange. It is also a constituent of the ATHEX Composite Share Price Index, the FTSE/ATHEX LARGE CAP index, the MSCI Greece Small Cap Index and the FTSE4Good Index Series.

The company has ISO 9001:2015 certification for Quality, ISO 14001:2015 and ISO 50001:2018 certification for the Environment, ISO 45001:2018 certification for Health and Safety,

ISO / IEC 17025:2017 certification for its Chemical Labs and CE Marking certification for its asphalt products, in accordance with Regulation (EU) No 305/2011 and the requirements of European standard EN 12591:2009. This is a combination of standards found in very few European refineries. Also, MOTOR OIL applies the EI/JIG1530 standard in relation to the production, storage and distribution of Jet Fuel. In the context of reducing greenhouse gas emissions and the sustainability criteria laid down by the EU, our company applies a control system for biofuels and the blending of fossil fuels with biofuels, having been certified with the 2BSvs Certificate since October 2016.

This certification meets the requirements of the biofuel mass balance and expires in 2026. Moreover, the refinery has earned the ISO 18788:2015 for its security system.

MOTOR OIL has consistently been successful in adjusting the product mix to the needs of the market thus achieving the best selling prices for its products and as a result outperforms other complex Mediterranean refineries in terms of refining margin.

MOTOR OIL is also active in the Renewable Energy Sector.

NEWS FROM THE ARAB - FOREIGN JOINT CHAMBERS

Remarkable Cooperation Federation of Saudi Chambers & Arab Belgian- Luxembourg Chamber

On 13th of March 2022, the **Saudi – Arab Belgian- Luxembourg Business Forum** was convened in Riyadh at the premises of the Federation of Saudi Chambers at ‘Alrashed Meeting Room’. Among the topics discussed during this Forum was the vision of Saudi Arabia 2030, Presentation on the Belgian Economy, followed by presentation by the National Center for Privatization and other mutual issues between Saudi Arabia and Belgian.

The Forum was attended by high level of participation from both countries, followed by B2B meetings between businessmen from Saudi Arabia and Belgian in various business domain. Saudi Arabia and Belgian have long history of friendly relations and cooperation in all business domains.

This is considered the biggest Belgian-Luxembourgian business delegation that have visited the Kingdom, consisting of 80 businessmen, representing various business sectors. However, the significance of this visit was marked by the signing of Agreement between the Federation of Saudi Chambers and the Arab–Belgian-Luxembourg Chamber of Commerce for the formation of the **Saudi-Belgian-Luxembourgian Business Council**. So to both sister Organizations we say “All the Best in your Remarkable Cooperation”!

Saudi Arabia is going through major economic changes based on its vision 2030, which has already made a remarkable success in all pillars of this vision. Saudi Arabia is becoming a favourable destination for conducting business and investments, the fact of convening this Forum at such a time is a testimony of the important of Saudi Arabia in world economy.

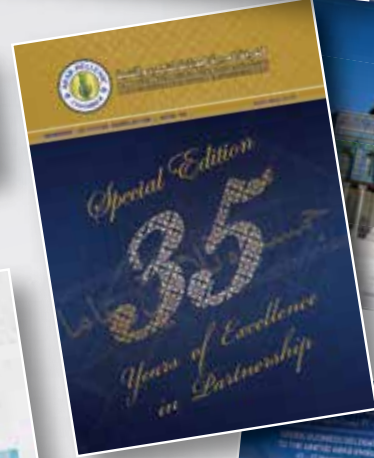

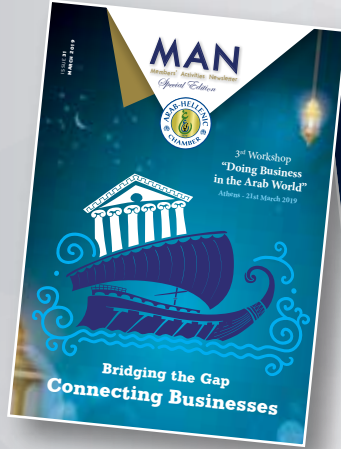

We, at the Arab - Hellenic Chamber, would like to seize this opportunity to congratulate the Federation of Saudi Chambers and the Arab-Belgian-Luxembourg Chamber for organizing this successful event.

Quality and Innovation in the Coatings Industry since 1972

Established in 1972, NEOKEM started the development and production of high-quality coatings that matched and even exceeded the expectations of our customers.

In 1987, in a demanding environment for advanced high-tech products, we were the first Greek company to implement the production of powder coatings for aluminum architectural systems, industrial and other uses.

In 2006, inspired by the market trends and motivated by our customers' particular needs, we produced super durable powder coatings with excellent resistance to adverse outdoor conditions.

Today, our business continues to grow along with our goals and expectations. We are a leading international Powder Coating manufacturer with products that are globally recognised and distributed in over **25 countries** through our network of subsidiaries and sales partners.

Cooperation and support

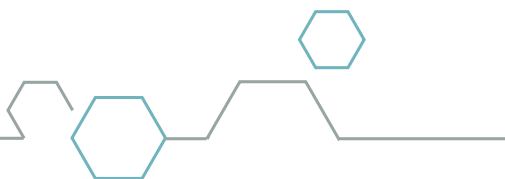

We continuously support the quality of our products at a commercial and technical level. NEOKEM's highly trained staff provides reliable solutions and responds with utter professionalism to your needs and provide support regarding the design, information and service of NEOKEM coatings.

في تكريم علي محمد ثنيان الغانم

(أبو مرزوق)

"عطاء من معين لا ينضب"

نخبة مميزة من رجالات القطاع الخاص العربي عاصروا بجهودهم البدايات الأولى عند تأسيس الغرف العربية الأجنبية المشتركة وخلال مسيرتهم هذه برزت أسماء كان لها الدور في تأكيد مكانة الجانب العربي في مجالس إدارة هذه الغرف ودعمها في الدول الحاضنة لها. ونحن في الغرفة العربية اليونانية حظينا بتلة مشرفة من رجالات القطاع الخاص العربي في مجلس إدارة غرفتنا، ومن الكويت بدأها من أوائل الثمانينات المرحوم محمد عبد السلام شعيب - طيب الله ثراه ممثلاً لغرفة تجارة وصناعة الكويت، ثم بعد ذلك، المرحوم عبد العزيز حمد صقر - طيب الله ثراه، تلاه بعد ذلك في مجلس إدارة الغرفة العربية اليونانية استاذنا القدير علي محمد ثنيان الغانم - حفظه الله، وجاء بعد ذلك، طارق بدر السالم حفظه الله، ومازالت غرفة تجارة وصناعة الكويت ببصماتها ودعمها عند عهدها نحو غرفتنا في ظل قيادة الأستاذ محمد جاسم الصقر رئيس مجلس ادارتها، وما زال دورها قائماً في مجلس إدارة الغرفة العربية اليونانية بشخص أحننا أحمد سليمان القطيبي.

نرى في تاريخ هذا اليوم علامة فارقة في احتفاء غرفة تجارة وصناعة الكويت بتكريم رئيسها السابق **علي محمد ثنيان الغانم (2004 - 2020)**، ونود في مناسبة عظيمة كهذه ان نكون حاضرين في تكريم هذا الفارس، كما هي الكويت حاضرة وداعمة دوماً ليس لغرفتنا فحسب، بل لكافة الغرف العربية الأجنبية المشتركة.

كان لي شرف معرفة العم أبو مرزوق في مناسبات عدة في ألمانيا، بريطانيا، النمسا، مصر، الكويت وفي غيرها من الدول، اما في فعاليات هذه الغرف او في اجتماعات أخرى، وفي كل من هذه المناسبات وللشهادة كان حضوره بارزاً ودوره بناءً وصوته مسموعاً، اراه في نظري ومازال امتداداً صادقاً للرعيل الأول من رجالات القطاع الخاص الكويتي في فطرته واعتزازه بعرويته وبالعامل العربي المشترك بشكل خاص، ورأيت عن قرب هذا الحضور والمساهمة والحرص على أداء الغرف العربية الأجنبية المشتركة لدورها واستمراريتها والنهوض بعملها من منطلق احساسه بأهمية هذه الغرف كصوت وحضور عربي في الدول المضيفة لها.

قضيت سنوات طويلة من حياتي في الكويت وعرفت عن قرب بعضاً من رجالها الكرام ومازال التواصل والود قائماً، وعندما حظيت بالتعرف على العم أبو مرزوق بدا لي في قامته الشامخة وعزته واقتداره امتداداً لبيئة كويتية عربية خالصة في دورها المشرف نحو القضايا العربية كافة.

الكويت وكما عهدناها وما زالت البلد الذي يصدق في توجه قياداته ودعم أبنائه وتوجههم نحو السلام والأمان والخير لجيرانهم ولمحيطهم العربي والإقليمي والدولي. فهنيئاً لهذا البلد الطيب مسيرته البناءة، وتحية لأبنائه الشرفاء.

تحية لك أيها الأستاذ القدير أبا مرزوق في هذا التكريم، مع صادق التقدير والمحبة وخالص الدعوة الى الله ان يديم عليك موفور الصحة والعافية والتوفيق، ولينعم الله على الكويت بالأمن والأمان وبالمزيد من الازدهار.

"الازمات واقتناص الفرص"

يبدو انه لا نهاية في الأفق في الاحداث المؤسفة التي تتوالى علينا، بالكاد تنفسنا الصعداء في تلاشي فيروس الكورونا لنجد أنفسنا امام ازمة كبيرة في أوروبا، وكأن نصيبنا من الكوارث والازمات والحروب في الشرق الأوسط لم يكن كافياً. والحرب الأوكرانية الروسية سوف تكون لها تداعيات كثيرة بدأت في الظهور من نقص في مواد الطاقة والغذاء مما أثر على ارتفاع أسعار هذه السلع، ونتيجة لهذا ستتوقف كثير من المصانع وسيفقد البعض وظائفهم، ناهيك عن التكلفة البشرية المؤلمة. نأمل ان يسود صوت العقل لإنهاء هذه الحروب، وفي الوقت نفسه لا نملك حق الوقوف ونؤمن ان الحركة فعل مبارك. يحدونا الأمل ان يسود صوت المنطق لحل هذه الازمات، وحتى موعد ان يقوم المنطق بعمله علينا ان نفكر جاهدين في الالتفاف على هذه الازمات والاستفادة منها حيثما أمكن وان نسير بعملنا بشكل طبيعي كالمعتاد.

نحرص في فعاليتنا القادمة على عقدها بالتواصل الشخصي، والحدث الثاني لنا في الغرفة العربية اليونانية لهذا العام والذي يتزامن مع هذا العدد من مجلة الغرفة "لقاء العمل: اليونان- دول شمال المشرق العربي (العراق، الأردن، لبنان، فلسطين، وسورية)" في 23 -24 مارس/ آذار 2022. نأمل ان يشكل هذا الحدث انطلاقة جديدة تعزز علاقات اليونان ودولنا العربية هذه، فالإمكانات والموارد والعوامل كلها في متناول رجال الاعمال من القطاع الخاص من الجانبين للدخول في شراكات عمل تسهم في زيادة ميزان التبادل التجاري والتدفقات الاستثمارية المتبادلة. الشاطر من يبدأ في المبادرة واكتشاف هذه الفرص بغض النظر عن المخاطر، يكفي ان الازمات التي تواجهنا حالياً تعد اقصى درجات المخاطر.

في 1 يونيو القادم، نحن مع لقاء عمل متميز وفعالية كبيرة نُعد لها من الآن "لقاء العمل: اليونان - مصر". يمكننا القول ان فرص العمل والاستثمار بين مصر واليونان لا حدود لها ونلاحظ من التطورات الإقليمية والثنائية بين الدولتين ان علاقتهما أضحت تأخذ بُعد استراتيجي ايجابي على كافة المستويات. وفي الوقت الحاضر، يشهد البلدين مشاريع عمل كبيرة. في هذا اللقاء نحاول ان نركز على ما يتصل بهذه المشاريع من اعمال ومجالات يمكن للقطاع الخاص من الجانبين الاستفادة منها، فالظروف بين مصر واليونان مهينة في كافة جوانبها سواء من ناحية مناخ العمل او القوانين المتصلة بذلك او القرب الجغرافي، إضافة الى ان التوقعات المستقبلية في النمو الاقتصادي للبلدين تبشر بالخير، الأمر هنا يعتمد على المبادرة واقتناص فرص العمل هذه من قبل رجال الأعمال من البلدين والدخول في شراكات عمل تعود بالنفع والمصلحة لهم.

نحن امام مناسبتين كبيرتين، قدوم رمضان المبارك، نرجو الله ان يكون قدومه خير وبركة وامن وسلام. والمناسبة الأخرى هي عيد الفصح المجيد، وللجميع نقول كل عام وأنتم بخير.

نأمل ان نراكم في الأول من يونيو القادم.

خلي هذا التاريخ في بالك
1 يونيو 2022

مصر واليونان اسسا لأقدم علاقة تاريخية بين شعبين على وجه هذه الأرض، وهذه العلاقة تتعزز يوما عن يوم في شتى قطاعات العمل وعلى كافة المستويات. وفي ضوء المعطيات الحالية ومؤشرات النمو لكلا البلدين فإن فرص العمل والشراكة بين القطاع الخاص اليوناني والمصري مازال امامها مجال كبير في كل القطاعات.

التحضيرات جارية لعقد "لقاء العمل اليونان – مصر" في الأول من يونيو، 2022 في أثينا - اليونان، يغطي هذا اللقاء كافة قطاعات العمل، والتركيز قائم على محاور حيوية تهم رجال الأعمال من الجانبين ونسعى من خلال لقاء العمل هذا على جمع رجال الأعمال المصريين ونظرائهم اليونانيين في عقد اللقاءات الثنائية التي تشمل كل قطاعات العمل. سنوافيكم في الأسابيع القادمة بتفاصيل أكثر عن هذا الحدث وبكافة المستجدات، ونتطلع الى مشاركتكم معنا هذا اللقاء.
