

Algeria

Opportunities for
cooperation in the field of
maritime transport.

Presented by
Adra BENBOUDIAF Secretary of Foreign Affairs,
Economic and Commercial Attaché,
Embassy on Algeria in Greece

introduction

Répartition des flux maritimes

- In the Mediterranean, Algeria aims to become a gateway between Africa, Europe and the rest of the world.
- Maritime transport represents 95% of the Algerian foreign trade,

CONTENTS

- 01** Maritime transport in figures
- 02** Key Actors : Main active State-owned companies in the field of maritime transport
- 03** Main Projects
- 04** International Cooperation

1. Maritime transport in figures

1. Maritime infrastructure

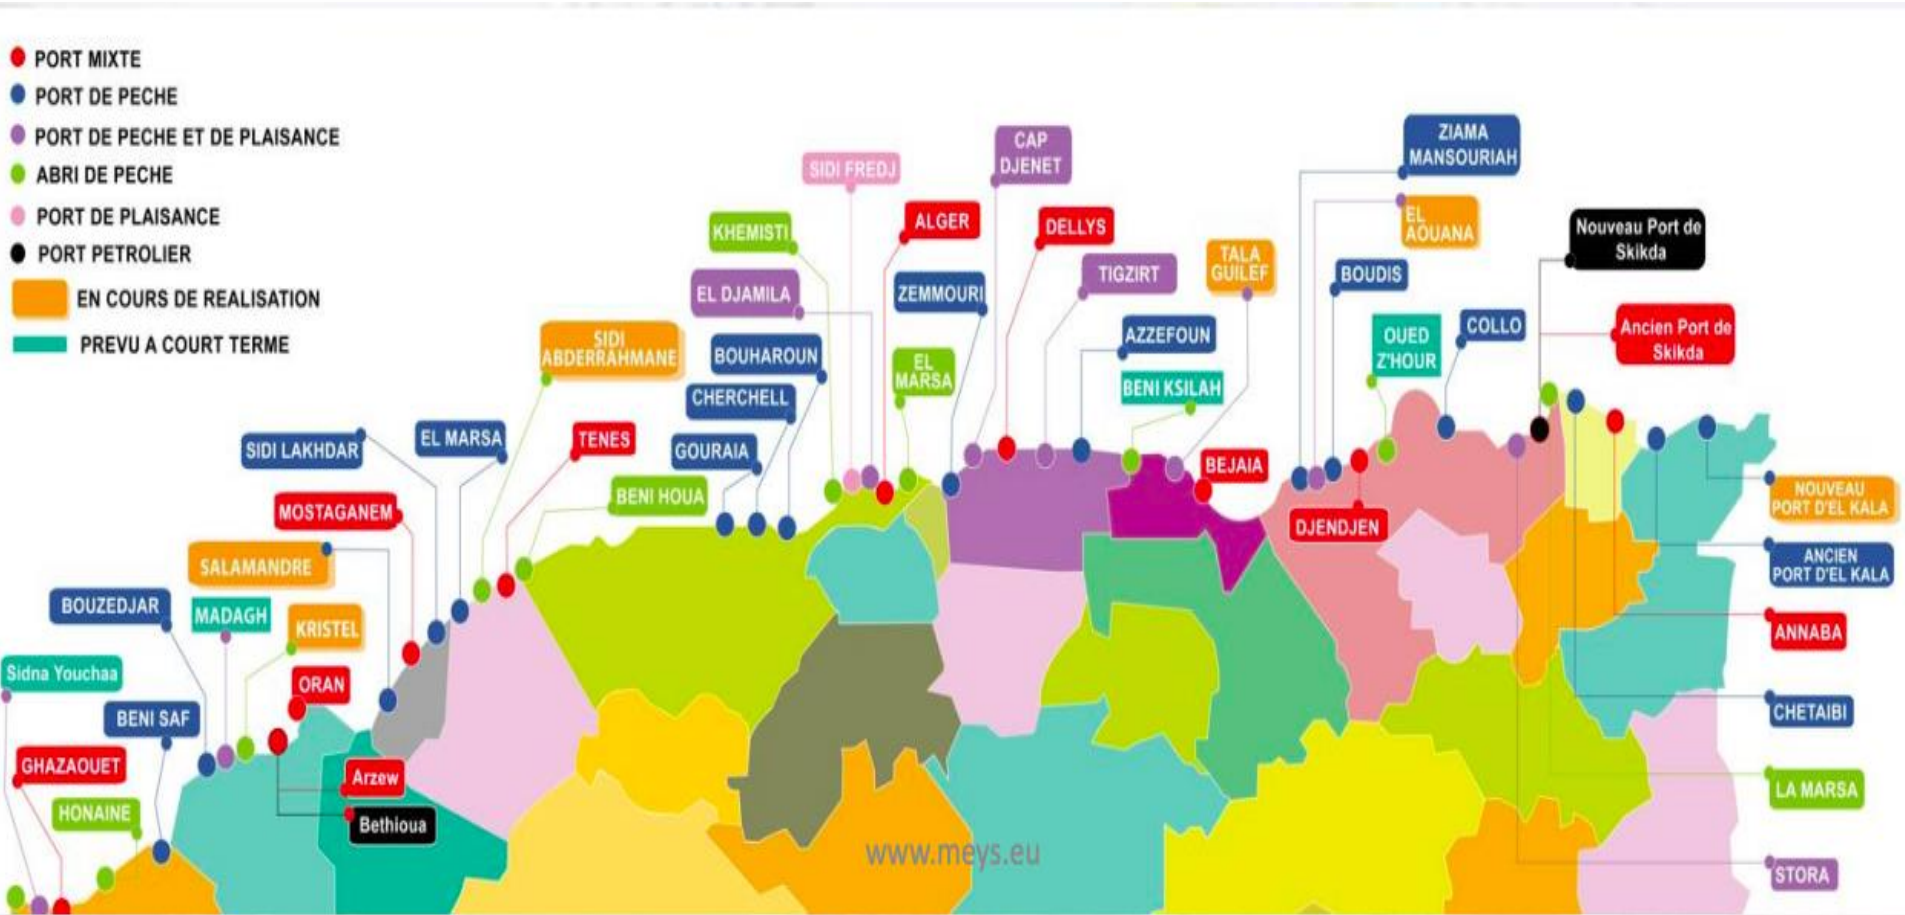

2. Maritime fleet

3. Shipyards

1.1 Maritime infrastructure

- Algeria was the first nation to export liquefied natural gas (LNG) to the UK in 1964.

*Halted operations on Nov 1, 2021

Existing LNG Terminals in Algeria

Terminals	Name	Begin (Start-up)	Capacity (Million m ³)
Arzew	GL4Z (Arzew)	1964	disabled
	GL1Z (Bethioua)	1977	17.56
	GL2Z (Bethioua)	1981	17.82
	GL3Z (Bethioua)	2014	10.5
Skikda	GL1K (Skikda)	2013 (Fully restored after the 2004 explosion)	10

Note. (Sonatrach, 2020)

The APCS has been created by Group SERPORT to bring genuine addition to the ports and the economic operators and to allow a better processing of data, digitization of documents and traceability of ships crossing. The platform reduced significantly the duration of commercial operations and costs.

3. Main Projects

El Hamdania Port Project

4. International cooperation

The Algerian Government has signed bilateral agreements on cooperation in maritime transport with 27 countries, including

- *12 Arab countries (Iraq, Tunisia, Egypt, Jordan, Sudan, Syria, Libya, Oman, Kuwait, United Arab Emirates, Saudi Arabia, Qatar),*
- *9 European countries (Albania, Bulgaria, France, Germany, Italy, Norway, Poland, Portugal, Russia, Turkey),*

- *Greece:*

Algeria and Greece expressed their willingness to establish a legal framework for bilateral cooperation in the field of maritime transport, negotiations between the two parties are in in their final stage .

Successful Partnerships

1. Bejaia Mediteranean Terminal (BMT)

BMT was created in 2004. It is a joint venture between the Port Company of Bejaia and the Singaporean company PORTEK

BMT is specialized in the management and operation of the container terminal of the port of Béjaia.

2. DP world in Djazair in partnership with Algiers Port Authority,

to transform Algiers terminal into a primary trade hub by upgrading the port's infrastructure and digital systems, bringing it in line with the best international standards and practices.

In November 2022 DP World has announced that the upgrade of the container terminal at the port of Algiers has been completed.

Regarding Greece:

It's worth mentioning the participation of the Greek company "Archirodon Group" in the project of widening the port of Annaba.

Thank you
