

# Evge Egypt

We started our agency as second to none  
In introducing RORO in 1978

# Our Marketing & after-sales Experience:

A team of marketing backed up with rich experience, covers the whole market and keep regular contact with shippers, consignees and forwarders.

Reporting to principals and taking care of their business interest.

A large blue and red cargo ship is being moved by a tugboat in a harbor. The ship is being towed by a white tugboat with a yellow crane. The ship has a blue upper hull and a red lower hull. The text "Our Operational Experience" is overlaid on the image in a large, white, serif font with a black outline. The ship is moving along a concrete pier with some people visible on the left. The background shows a clear blue sky and some industrial structures.

# Our Operational Experience

# Principals

A prominent Greek shipping company specialized in vehicle logistics. Particularly the transportation of finished vehicles, H/H cargo and project cargo.

Established in 1975, Neptune is a leading provider of short-sea transportation services, connecting various regions across Europe, the Mediterranean, the Black Sea and the Far East. Offering services to over 50 ports in 27 countries. Operates a modern fleet of 21 PCTC Vessels, with capacities ranging from 1'500 to 6'500 vehicles.

The fleet incorporates advanced technologies to minimize environmental impact such as electronic-controlled engines, energy sufficient designs, hybrid energy systems & dual-fuel engines capable of operating LNG & VLSFO.
